I CAN'T EVEN DRAW A STICK FIGURE

UH, NO!

HMM... IT SEEMS YOU DON'T LIKE TO DO ANYTHING THAT MIGHT ACTUALLY HELP.

OH SHAME I'LL TRY AGAIN

I'M A HELPER

How can I help you today? Show me what you need me to do, and I'll do my best to fulfil the role. I just like to help, and there are lots of things I could probably assist you with. From helping with the youth ministry, cooking a meal for an event, helping people to a seat in the auditorium or making someone feel exceptionally welcome here on a Sunday morning.

I LIKE KIDS, LOTS OF KIDS

I'm young at heart, and up for anything, I'm passionate about seeing our young people grow up right. To see them develop in a safe & loving environment, watch them overcome obstacles and take on new challenges.

CAN YOU SMILE AND SAY HELLO?

Making people feel welcome is so essential, I want to make sure that every person that comes through the churches doors is made to feel like they belong - that they're part of the family.

I HAVE BEEN KNOWN TO COOK

Can you think of anything better than preparing copious amounts of food for people to enjoy? I can't. I love blessing people with the food creations I can make. To me, a well-cooked meal can say a thousand words.

MMM COFFEE

Latte? Cappuccino? Espresso? Affogato? No, I'm not speaking another language... or am I? There's nothing more satisfying than frothing some milk, preparing some delicious treats for people. Good conversation always happens over food and a hot drink; it can be an excellent place for people to connect and support one another.
